

Hello Chamber Members,

The Wyandot County Community Calendar is a great community project because many people ask for copies to keep at home and at work in order to keep up with local events and plan their the year ahead. Businesses like having their name readily handy for customers.

The Chamber is now working on the Wyandot County Community Calendar for 2016. We ask you to consider being a sponsor and help support our clubs & organizations in promoting their events.

The calendar features local photographers and businesses each month, along with business cards and local event listings. The sale of the advertisement defrays the cost of development, design and printing all which is done locally. A 1000 calendars will be produced and distributed free of charge to the community at the Wyandot County Visitors Bureau and Chamber booth during the Wyandot County Fair, September 15-20, 2015. All advertisers can receive copies for your own use & distribution as well.
